# EXECUTIVE SUMMARY

**NVC Fund Bank** operates as a supranational sovereign institution under the African Union Treaty framework, managing over **\$10 trillion** in assets across global markets. Our comprehensive SWIFT network consists of **15 strategic codes** positioned across four continents, ensuring seamless international banking operations while maintaining full compliance with ISO 20022 and ISO 9362:2022 standards.

Our primary SWIFT code **NVCFGLXX** serves as the global identifier for our sovereign banking operations, facilitating correspondent banking relationships and cross-border institutional transactions. The institution's annual revenue of **\$289 billion** reflects our significant role in international finance and our commitment to providing world-class banking services.

This documentation provides comprehensive details of our global SWIFT infrastructure, regulatory compliance framework, and operational capabilities across all jurisdictions where we maintain banking relationships and sovereign authority.

# PRIMARY GLOBAL SWIFT CODE

The primary SWIFT code **NVCFGLXX** represents NVC Fund Bank's global sovereign authority and serves as our principal identifier for international banking operations, correspondent relationships, and cross-border financial services.

| SWIFT CODE | INSTITUTION NAME                  | AUTHORITY            | STATUS           |
|------------|-----------------------------------|----------------------|------------------|
| NVCFGLXX   | NVC Fund Bank - Global Operations | African Union Treaty | Active Sovereign |

## REGIONAL SWIFT OPERATIONS

NVC Fund Bank maintains strategic regional presence through specialized SWIFT codes positioned across key financial centers and jurisdictions worldwide.

| REGION        | SWIFT CODE | LOCATION                 | SPECIALIZATION         |
|---------------|------------|--------------------------|------------------------|
| North America | NVCFUSXX   | United States Operations | Correspondent Banking  |
| Europe        | NVCFGBXX   | United Kingdom Hub       | European Markets       |
| Asia Pacific  | NVCFSGXX   | Singapore Center         | Asian Operations       |
| Australia     | NVCFAUXX   | Australian Division      | Pacific Region         |
| Middle East   | NVCFAEXX   | UAE Operations           | MENA Markets           |
| Africa        | NVCFZAXX   | South African Hub        | Continental Operations |
